Miguel,

Thanks and hope you get better soon. Try the emergen-C powder in water (lead-free if possible) and take a packet every 5 hours.

Talk soon.

Best Regards,

Hi Scott,

Got both of your email messages. I am out sick and have some urgent stuff to work on after tha, so it will likely be into next week before I can get to these.

Miguel

Miguel,

Attached is the published patent outlining the technology I developed related to oil spill remediation and for new methods of exposure/cumulative testing.

Would love to get your thoughts on this upon your review.

Thanks.
